ADAMS COUNTY

Number of Surveys = 46

<i>Questions 1 through 4</i>	<i>Strongly Agree</i>	<i>Agree</i>	<i>Not Sure</i>	<i>Disagree</i>	<i>Strongly Disagree</i>	<i>No Answer</i>
I believe that people in my community are getting the health care they need.	7%	48%	28%	0%	13%	4%
I believe it my responsibility to practice healthy behaviors (e.g., exercise, eat right).	50%	37%	7%	2%	0%	4%
I believe it is my responsibility to seek preventive health care measures (e.g., vaccinations, mammograms).	37%	35%	22%	4%	2%	0%
I believe it is my responsibility to ask my health care provider if less costly treatment or medication is available for my medical problems.	26%	43%	15%	11%	2%	2%
<i>Question 5</i>	<i>Always</i>	<i>Sometimes</i>	<i>Seldom</i>	<i>Never</i>	<i>Don't know</i>	<i>No Answer</i>
When I make a decision to seek health care services, the cost of care is an important part of my decision.	24%	43%	11%	13%	2%	7%
<i>Questions 6 through 9</i>	<i>Strongly Agree</i>	<i>Agree</i>	<i>Not Sure</i>	<i>Disagree</i>	<i>Strongly Disagree</i>	<i>No Answer</i>
I believe that I should forego expensive health care if the chance of my recovery is very small.	11%	26%	30%	15%	11%	7%
The most important thing for me in choosing a health insurance plan is to be able to choose my health care provider.	39%	30%	15%	9%	2%	4%
If I am paying the full cost of my health insurance, I would rather purchase comprehensive coverage for \$280/month than catastrophic coverage for \$150/month. (Comprehensive coverage would pay for almost all health care expenses while catastrophic would cover expenses after I pay \$5,000 out of my own pocket.)	17%	20%	39%	15%	2%	7%
Every person, regardless of their ability to pay, should be able to get basic health care. Basic health care includes, at a minimum, access to a family physician and to preventative health care services.	48%	26%	17%	0%	2%	7%

Washington Health Choices: Taking the Pulse of the Community 2003
County Survey Data-Alphabetical Listing

YAKIMA COUNTY

Number of Surveys = 100

<i>Questions 1 through 4</i>	<i>Strongly Agree</i>	<i>Agree</i>	<i>Not Sure</i>	<i>Disagree</i>	<i>Strongly Disagree</i>	<i>No Answer</i>
I believe that people in my community are getting the health care they need.	1%	15%	23%	40%	18%	3%
I believe it my responsibility to practice healthy behaviors (e.g., exercise, eat right).	70%	27%	1%	1%	0%	1%
I believe it is my responsibility to seek preventive health care measures (e.g., vaccinations, mammograms).	70%	27%	2%	0%	0%	1%
I believe it is my responsibility to ask my health care provider if less costly treatment or medication is available for my medical problems.	46%	39%	9%	5%	0%	1%
<i>Question 5</i>	<i>Always</i>	<i>Sometimes</i>	<i>Seldom</i>	<i>Never</i>	<i>Don't know</i>	<i>No Answer</i>
When I make a decision to seek health care services, the cost of care is an important part of my decision.	36%	39%	14%	6%	4%	1%
<i>Questions 6 through 9</i>	<i>Strongly Agree</i>	<i>Agree</i>	<i>Not Sure</i>	<i>Disagree</i>	<i>Strongly Disagree</i>	<i>No Answer</i>
I believe that I should forego expensive health care if the chance of my recovery is very small.	21%	27%	21%	19%	11%	1%
The most important thing for me in choosing a health insurance plan is to be able to choose my health care provider.	54%	32%	8%	3%	3%	0%
If I am paying the full cost of my health insurance, I would rather purchase comprehensive coverage for \$280/month than catastrophic coverage for \$150/month. (Comprehensive coverage would pay for almost all health care expenses while catastrophic would cover expenses after I pay \$5,000 out of my own pocket.)	24%	24%	20%	11%	21%	0%
Every person, regardless of their ability to pay, should be able to get basic health care. Basic health care includes, at a minimum, access to a family physician and to preventative health care services.	55%	32%	8%	2%	1%	2%
